Early Bird Instruction

Early Bird classes which will meet from 7:30 a.m. to 8:25 a.m. may be approved by the Board of Education.

Seniors who are behind in credit will be given first opportunity to attend Early Bird classes followed by Juniors who are behind in credit. There must be a minimum of twenty five (25) students enrolled for an Early Bird class (other than Physical Education classes) to meet. Additional considerations for the establishment of Early Bird Classes are as follows:

- Early Bird Classes are an elective option; therefore, District transportation will not be provided.
- Students must have been enrolled in District 201 the previous full semester (summer school does not count).
- Nurses will be on duty.
- Only juniors behind in credit and seniors behind in credit may take zero hour and six (6) academic classes between 8:30 a.m. and 3:30 p.m. All other participants' day will end at 2:25 p.m.
