Extracurricular and Co-Curricular Activities

Extracurricular or co-curricular activities are school-sponsored programs for which some or all of the activities are outside the instructional day. They do not include field trips, homework, or occasional work required outside the school day for a scheduled class. "Co-curricular activity" refers to an activity associated with the curriculum in a regular classroom and is generally required for class credit. "Extracurricular activity" refers to an activity that is not part of the curriculum, is not graded, does not offer credit, and does not take place during classroom time; it includes competitive interscholastic activities and clubs.

The Board must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.
6. The club sponsor has completed the District's Application for Approval of New Club or Activity and has included a list of at least fifteen (15) students who plan to join the New Club or Activity.

Non-school sponsored student groups are governed by Board policy, 7:330, *Student Use of Buildings - Equal Access*.

Academic Criteria for Participation

Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must satisfy the Illinois High School Association's scholastic standing requirements (doing passing work in at least 20 credit hours of high school work per week). Any student-participant failing to meet these academic criteria shall be suspended from the activity for 7 calendar days.
