## STAFF AUTHORIZATION FOR ELECTRONIC NETWORK ACCESS

---

*This form accompanies Belleville Township High School Board Policy 6.235, Access to Electronic Networks - Staff and Students. Each staff member must sign this Authorization as a condition for using the District's Electronic Network connection. Please submit this form to Human Resources.*

---

I received a copy of the Belleville District 201 School Board Policy 6.235, Access to Electronic Networks - Staff and Students. Should School Board Policy 6.235 be updated or altered, a new form must be completed for continued use of the District's Electronic Network connection along with a copy of the updated policy for the staff member's retention.
