

Belleville Township High School District 201 Parent Web Portal

Parent Portal User Request Form

(This form must be completed by parents/guardians for access to their child's data on the Belleville Township High School District 201 Parent / Student Portal.)

District 201 has a student management system that will allow you to view various aspects of your students' records, including student grades and attendance information. Also, all student members of a family will be visible through a single login account.

To access the system, browse to <http://www.bths201.org> and click on the link "Parent Information."

In order to participate, we need a minimum of one e-mail address per family. The purpose of the e-mail address is to send you a confidential and personalized user ID and password which will permit you to gain access to your student's data on the district's secure web server.

If your e-mail address changes during your student's tenure at District 201, you must submit a new Parent Portal User Request Form. For security reasons, changes will not be made over the phone.

Please complete this form and return it to:
On the East Campus to the Administrative/Principal's Office
On the West Campus to your Student's Class Office

You will then receive an e-mail with your username and password, after the form has been processed.

(If you have more than one student currently enrolled at East or West please list all names below.)
