

Belleville East High School

Andrea Barriger, Director of Counseling Last Names (He-J)

abarriger@bths201.org
(618) 222-3731

Dear Freshman Parent/Guardian,

Welcome to the Belleville East Family! Your Belleville East Counseling Team is so excited to meet and work with your freshman this fall! Please read through the important information below regarding Counselor caseloads and valuable information concerning the school year.

Below you will see each School Counselor listed along with their caseload of students and contact information. All students are placed alphabetically with a Counselor. Additionally, your child's School Social Worker is listed below for your reference. Social Workers are on campus in the Counseling Office everyday to assist with any social or emotional issues your student might have.

As freshmen, we understand that this can be a tough year in terms of acclimating to high school and getting used to a new campus, teachers, rules, and simply the day-to-day routine of being a high school student, but we are here to guide your student and answer any questions he/she might have. Lastly, important information is shared with your student via the Class of 2030 Google Classroom page (code to join below) and on our website ([Belleville East Counseling Department](#)).

Google Classroom code for the Class of 2030: odki3ts6

Again, welcome to Belleville East! Please reach out to your student's School Counselor with any questions or concerns you may have. We look forward to meeting your student in the fall!

Sincerely,

Your Belleville East School Counselors
