Dear Sophomore Parent/Guardian,

Welcome back! With the start of another school year, your Belleville East Counseling Team is so excited to continue to work with your sophomore this fall! Please read through the important information below regarding Counselor caseloads and valuable information concerning the school year.

Below you will see each School Counselor listed along with their caseload of students and contact information. All students are placed alphabetically with a Counselor. Additionally, your child's School Social Worker is listed below for your reference. Social Workers are on campus in the Counseling Office everyday to assist with any social or emotional issues your student might have.

Lastly, please remember to utilize your student's School Counselor for academic advice, questions about how to obtain a worker's permit, dual credit opportunities, information about NCAA/NAIA, and more. Important information is shared with your student via the Class of 2029 Google Classroom page (code to join below) and on our website ([Belleville East Counseling Department](#)).

Google Classroom code for the Class of 2029: h2sw2qhk

Again, welcome to Belleville East! Please reach out to your student's School Counselor with any questions or concerns you may have. We look forward to meeting your student in the fall!

Sincerely,

Your Belleville East School Counselors
